

Casual 4HB Business Email to a Partner

Subject: Keeping Our 4HB Spirit Strong!

Hi James,

Just wanted to drop a quick note to say how great it's been working with you and your team.

Our collaboration truly reflects the 4HB values—Honesty, Hard Work, Humility, and High

Standards. It's refreshing to see a partnership where ethics and performance go hand in hand.

Let's keep the energy going! I'm sure the next quarter will be even better.

Cheers,

Alex
