

Abstract Acceptance Letter for a Research Paper

Dear [Recipient Name],

We have received your research paper abstract titled [Paper name] that you submitted on [Submission Date] and would like to gladly inform you that it has passed the initial screening and went into the acceptance phase.

This means that your paper will be considered for our next publication on [Month and Year].

Please allow me to outline the process from point onwards.

First, we expect your full paper to be submitted no later than [Insert Date] for review.

Second, we expect you to present your paper to the committee for discussion and review. Please prepare a small presentation not longer than 10 minutes where you highlight the key points in your research.

Finally, upon successful review, your research paper shall be considered for the upcoming issue.

If you have further questions, please get in contact with me.

Congratulations and best of luck.

Best Regards
