

Sincere and emotional acceptance

Subject: Grateful Acceptance of PhD Supervision

Dear Professor [Last Name],

I would like to express my heartfelt gratitude for agreeing to supervise my PhD research. It means a great deal to me to have your support and guidance as I embark on this challenging and rewarding academic journey.

Your work in [specific area] has been a source of inspiration for me, and I am excited to learn from your expertise. I promise to work diligently and uphold the standards of excellence that your supervision represents.

Thank you once again for this opportunity. I look forward to contributing positively to our shared research goals.

Warm regards,

[Your Name]
