

Acceptance with strong focus on research interests

Subject: Acceptance of PhD Supervision and Research Commitment

Dear Professor [Last Name],

I am delighted to formally accept your supervision for my PhD program in [field]. I am particularly eager to pursue our shared research interests in [specific research area], and I am committed to dedicating myself fully to this work.

I truly value the chance to learn from your expertise and to contribute to the ongoing research projects in your lab. I look forward to beginning this journey and to collaborating closely under your guidance.

Thank you for this opportunity.

Best regards,

[Your Name]
