

Accepting A Job Offer Letter With Salary Negotiation

Dear [Employer's Name],

Thank you very much for extending a job offer for the [Job Title] position. I am thrilled about the opportunity to join your team and contribute to the company's success.

However, after careful consideration, I would like to discuss the salary offer. Based on my research and industry standards, I believe that a salary range of [Range] would be more appropriate for this position.

I hope we can find a mutually beneficial solution. I am open to discussing alternative options, such as additional benefits or bonuses, if that would be more feasible for the company.

Thank you again for considering me for this position, and I am excited about the possibility of working with you and the team. Please let me know if we can schedule a time to discuss this further.

Best regards,

[Your Name]
