

Immediate Resignation Due to Ethical Concerns

Subject: Immediate Resignation - Ethical Concerns

Dear [Manager's Name],

I regret to inform you that I must resign from my position as [Your Job Title] at [Company Name], effective immediately.

After careful consideration, I have determined that certain practices within the organization conflict with my professional ethics and accounting standards. As a certified professional, I have an obligation to maintain integrity and cannot continue in my current role under these circumstances.

I understand that immediate resignation may cause inconvenience, and I apologize for any disruption this may cause. However, my professional integrity and adherence to accounting principles must take precedence.

I will ensure that all current work is properly documented and will make myself available for a brief transition period to discuss urgent matters, provided they do not compromise my ethical standards.

I request that my final paycheck and any outstanding benefits be processed according to company policy.

Respectfully,

[Your Name]
