

Freelance Financial Consultant Introduction Email

Subject: Financial Consulting Services for [Company Name]

Dear [Business Owner's Name],

I hope this message finds you well. My name is [Your Name], and I am a freelance financial consultant specializing in helping small to medium-sized businesses optimize their financial operations and achieve sustainable growth.

With over 15 years of experience in corporate finance and a track record of helping businesses improve their financial health, I offer services including cash flow management, financial forecasting, profitability analysis, and strategic financial planning. My clients have experienced an average 25% improvement in working capital efficiency within the first six months of engagement.

I noticed that [Company Name] has been experiencing impressive growth in the [industry] sector, and I believe I could help you navigate the financial complexities that often accompany rapid expansion. Whether you need assistance with budgeting, financial systems implementation, or strategic planning for your next phase of growth, I would be delighted to explore how I can support your objectives.

I offer flexible engagement models, from project-based work to ongoing retainer arrangements, ensuring that you receive the level of support that best fits your needs and budget.

I would love to schedule a complimentary 30-minute consultation to discuss your financial goals and challenges. Please let me know if you would be interested in connecting.

Thank you for your time, and I look forward to the possibility of working together.

Best regards,

[Your Name]
