

Casual student film invitation

Subject: Indie Film Collab - "Fragments"

Hey [Actor Name],

Hope you're doing well! I'm reaching out because I'm working on my thesis film "Fragments" and think you'd be amazing for the lead character.

I know it's not a paid gig, but here's what I can offer:

- Copy of finished film for your reel
- Meals during shoot days
- Transportation reimbursement
- Flexible schedule around your other commitments
- Creative collaboration on character development

The story follows Maya, a photographer rediscovering her passion after loss. It's intimate, character-driven, and would showcase your dramatic range beautifully.

Shooting weekends in March. Interested in reading the script?

Thanks for considering!
