

## Formal internship application

Subject: Application for Actuarial Internship

Dear [Hiring Manager's Name],

I am writing to express my interest in the Actuarial Internship position at [Company Name]. I am currently pursuing a degree in [Your Degree] at [Your University], and I have developed strong analytical and statistical skills through coursework in probability, financial mathematics, and data modeling.

During my academic projects, I have applied actuarial principles to real-world case studies, gaining experience in risk assessment and predictive modeling. I am confident that my dedication, quantitative abilities, and enthusiasm for the actuarial field make me a strong candidate for this internship.

I would welcome the opportunity to contribute to your team and learn from your experienced actuaries. Thank you for considering my application.

Sincerely,

[Your Name]
