

Informal email application

Hi [Hiring Manager's Name],

I'm excited to apply for the Actuarial Internship at [Company Name]. I'm studying [Your Degree] at [Your University] and have gained hands-on experience in probability, statistics, and financial modeling through my coursework and projects.

I'm particularly interested in [Specific Area/Project at Company] and believe I can contribute effectively while learning from your talented team. I'd love the chance to discuss how I can assist your actuarial department.

Thanks,

[Your Name]
