Subject: Tips for Your Big Move!

Hey [Friend's Name],

I'm so excited for your move to [City Name]! It's a big step, but I know you'll thrive there. Just remember to take it one day at a time. Start by exploring your new neighborhood, finding a few go-to places, and making connections with neighbors or coworkers.

Don't feel pressured to have it all figured out immediately. Moving is a process, and it takes time to feel at home. Be patient with yourself and stay open to new experiences.

I can't wait to visit and see you settled in!

Warm hugs,

[Your Name]
