

Serious cancellation request due to medical reason

Subject: Urgent Ticket Cancellation Request Due to Medical Emergency

Dear Airline Support,

I am requesting the cancellation of my ticket (Booking Reference: [reference number]) scheduled on [date] for Flight [flight number]. Unfortunately, I have encountered a sudden medical emergency that makes it impossible for me to travel. Attached is a medical certificate from my doctor as proof of my condition.

I kindly request a full refund or waiver of cancellation fees given the circumstances. Please confirm the cancellation and guide me regarding the refund process.

Yours sincerely,

[Your Name]
