

Humorous tone cancellation request

Subject: Oops, Need to Cancel My Ticket

Hey [Airline Name] Team,

Turns out my boss thinks my desk chair is more important than your airplane seat this week, so I have to cancel my flight. Booking Reference is [number], and the flight was on [date].

Please help me out with the cancellation and refund. Hopefully, Iâ€™ll be back to flying with you soon, instead of being stuck in meetings!

Cheers,

[Your Name]
