## Angry Or Harsh Break Up Letter

Dear [Name],

I'm writing this letter to let you know that I've come to the difficult decision to end our relationship. I know this news may come as a shock to you, but please understand that it's not a decision I've made lightly.

I've been feeling increasingly unhappy and unsatisfied in our relationship for some time now, and I've come to realize that we're not right for each other. I've tried to work through these feelings, but they only seem to be getting stronger. I need to take a step back and focus on my own well-being. I want to be clear that this decision has nothing to do with you as a person. You're a kind and caring individual, and I know that you'll find someone who will make you happy. I just don't feel that we're compatible as a couple, and it's not fair to either of us to continue pretending that everything is okay. I hope that we can part on good terms and that we can both move forward in a positive direction. I wish you all the best in your future endeavors.

Sincerely,

[Your Name]
