

Professional conference cancellation announcement

Subject: Official Cancellation Notice - Annual Healthcare Innovation Summit 2025

Dear Registered Attendees, Speakers, and Sponsors,

The Healthcare Innovation Alliance Board of Directors announces the cancellation of the Annual Healthcare Innovation Summit 2025, previously scheduled for June 15-17, 2025, at the Metropolitan Convention Center.

This decision follows extensive deliberation regarding multiple conflicting factors: venue booking complications, speaker availability conflicts, and logistical challenges that would significantly compromise event quality and attendee experience.

Financial arrangements will be handled as follows:

- Full registration refunds processed within 10 business days
- Hotel reservations cancelled automatically with no penalty
- Sponsor agreements will be honored for the 2026 event or refunded per contract terms

We recognize the professional and financial investment many of you have made in attending this event. Our commitment to delivering exceptional value remains unchanged - we would rather cancel than deliver a substandard experience.

The 2026 Summit is already in planning stages with confirmed dates of June 20-22, 2026. Early bird registration will open in September 2025 with special pricing for 2025 registrants.

For specific questions regarding refunds or future events, contact our registration department at summit@healthinnovation.org.

Sincerely,

Dr. Patricia Williams

Executive Director

Healthcare Innovation Alliance
