

Creative Arts Annual Appeal Template

Dear Arts Enthusiast,

Art has the extraordinary power to inspire, challenge, and unite us. As we wrap up another vibrant year at [Arts Organization], I'm excited to share how your support has helped us bring more beauty and creativity into our community.

This year's highlights include:

- [Number] performances/exhibitions that reached [audience number] people
- Educational programs serving [number] students and community members
- New artist collaborations and community partnerships
- Behind-the-scenes improvements to our facilities

But here's what those numbers really mean: moments of wonder, conversations that changed perspectives, young artists discovering their voices, and a community connected through shared creative experiences.

The arts require champions—people who understand that creativity isn't a luxury, but essential to a thriving society. Your annual gift helps us:

- Present world-class performances and exhibitions
- Offer accessible programming for all income levels
- Support emerging and established artists
- Maintain our historic venue

As we plan next year's season, we're dreaming big. With your continued support, we can bring even more transformative art to our community.

Please consider a year-end gift of \$[amount] to keep the arts alive and thriving.

Together, we're creating something beautiful.

Gratefully yours,

[Your Name]
