

Apology Letter For Hurting Someone Feelings

Dear [Name],

I am writing this letter to express my deepest apologies for hurting your feelings. I realize that my words or actions may have caused you pain, and for that, I am truly sorry.

I understand that I have hurt you deeply, and I want to assure you that it was never my intention to do so. I value our relationship, and I regret that my behavior has caused any damage to it.

Please know that I am taking responsibility for my actions and will make every effort to ensure that I do not repeat them. I am committed to making amends and rebuilding our relationship, and I hope that you will give me the opportunity to do so.

Once again, I am deeply sorry for any pain that I may have caused you. Please let me know if there is anything I can do to make things right.

Sincerely,

[Your Name]
