

Casual apology email for misunderstanding between friends

Subject: Sorry About the Mix-Up

Hey [Friend's Name],

I just wanted to drop you a quick note to say I'm sorry for the misunderstanding the other day. I think I totally misread the situation and ended up saying something that didn't come across as I intended.

You're really important to me, and I don't want a silly mix-up to come between us. Thanks for being patient with me—I promise to do better at clarifying things next time.

Talk soon,

[Your Name]
