

Funny lighthearted apology message for misunderstanding

Subject: Oops, My Bad!

Hey [Name],

So apparently, my brain and my mouth decided to go in two different directions, and the result was a bit of confusion. Sorry about that!

Let's chalk this up to a "human error" and maybe have a laugh about it instead of letting it bother us. Next time, I'll make sure I double-check before I say something silly.

Cheers,

[Your Name]
