

Informal apology to sister for broken commitment

Hey [Sister's name],

I know I messed up big time, and I feel terrible about it. I promised I'd be there for your presentation, and I completely flaked. There's no excuse for that.

I know how important this was to you, and I should have been there cheering you on like I said I would. You've always had my back, and when you needed me to have yours, I let you down.

I was dealing with some work drama, but that doesn't make it okay. I should have communicated with you instead of just disappearing. That's not the kind of sister I want to be.

Can we grab coffee this weekend? I want to hear all about how your presentation went and make it up to you somehow. I promise to do better.

Love you lots,

[Your name]
