

Brief apology to brother for damaged property

Hey [Brother's name],

I need to apologize about your gaming headset. I accidentally dropped it yesterday and one of the ear pieces cracked. I know you just got it and I feel awful about breaking it.

I should have been more careful with your stuff. I know how much you saved up for those headphones, and I had no right to be careless with them.

I'm going to get you a replacement this weekend - the exact same model. I've already found it online and I'll have it shipped to you by Tuesday.

Sorry for being a clumsy idiot. I'll be more careful with your things in the future.

Your apologetic brother,

[Your name]
