

Tax Assessment Appeal Letter Template

Dear Tax Assessor's Office,

I am writing to appeal the recent tax assessment for my property at [Property Address]. I believe that the assessed value does not accurately reflect the current market conditions and would like to provide further information for your consideration.

[Explain any recent property valuation, comparable sales data, or any changes that may impact the assessed value of your property.] I am committed to paying fair and accurate property taxes.

I kindly request a review of my tax assessment and hope for a just reconsideration. Your understanding is vital to maintaining a fair and equitable tax system.

Thank you for your time and consideration.

Sincerely,
