

Environmental Impact Appeal Letter Template

Dear Environmental Regulatory Agency,

I am writing to appeal the decision regarding my environmental impact assessment for [Project/Development]. I believe that my project minimizes adverse effects and would like to provide additional information for your consideration.

[Explain the steps you have taken to address environmental concerns, any mitigation measures you have put in place, and your commitment to responsible and sustainable development.] I am dedicated to preserving and enhancing the local environment.

I kindly request a review of my environmental impact assessment and hope for a positive reconsideration. Your support is vital to maintaining ecological balance.

Thank you for your understanding and consideration.

Sincerely,
