

Emergency Security-Related Closure Letter

Subject: URGENT - Immediate Account Closure Required for Security Concerns

Dear Account Security Department,

I am requesting the immediate closure of my bank account [Account Number] due to suspected unauthorized access and potential security breaches that I have recently discovered.

I have noticed suspicious activities and unauthorized transaction attempts on my account, which compromise my financial security. Despite changing passwords and security questions, I believe the safest course of action is complete account closure.

Please freeze the account immediately and process closure within 24 hours. I will visit the branch in person with proper identification to collect any remaining balance and complete necessary paperwork.

This is an urgent matter requiring immediate attention. Please contact me at [Phone Number] to confirm receipt of this request and provide guidance on next steps.

Thank you for your immediate assistance in this critical matter.

Urgently,

[Your Name]

[Date and Time]
