Humorous booking email

Subject: Can We Steal Your Venue for Our Big Day?

Hey [Venue Coordinatorâ€™s Name],

Weâ€™ve been venue-hunting like detectives and your place finally cracked the caseâ€”itâ€™s perfect! Weâ€™re planning our wedding on [date], and before anyone else snatches it, weâ€™d love to reserve your hall.

Please let us know your rates, rules, and how much cake weâ€™re allowed to drop on the floor before being fined (kiddingâ€”sort of). Hope you can help us make our day unforgettable!

Cheers,

[Your Name(s)]
