Subject: Thank You for Making This Possible

Dear Mom and Dad,

As I sit here in my cap and gown, preparing for graduation, I'm overwhelmed with gratitude for everything you've done to make this moment possible.

This degree isn't just mine - it belongs to both of you too. Every tuition payment, every care package during finals week, every encouraging phone call when I wanted to quit, brought me to this day.

You believed in me even when I didn't believe in myself. During my sophomore year crisis when I wanted to drop out, you listened patiently and helped me find my way back to my passion. When I struggled with that impossible calculus class, you found me a tutor even though it stretched the budget.

Thank you for teaching me the value of education, hard work, and perseverance. Thank you for your financial sacrifices and emotional support. Thank you for raising me to chase my dreams while staying grounded in values.

As I step into this next chapter, I carry with me everything you've taught me. I promise to make you proud and to pay forward the love and support you've given me.

With boundless love and appreciation,

[Your name]

P.S. I can't wait to see your faces in the audience tomorrow!
