

Approval with Required Revisions

Subject: Conditional Approval - Revisions Required

Dear [Student Name],

Your thesis titled "[Thesis Title]" has received conditional approval from the review committee.

While the core research is solid and meets academic standards, several revisions are required before final approval.

Required revisions include:

1. Strengthen the methodology section with additional statistical analysis details
2. Expand the discussion of limitations in Chapter 4
3. Include three additional recent sources in your literature review (2023-2024)
4. Clarify the implications section with practical applications
5. Correct formatting issues as noted in the attached document

You have 30 days from this date to complete these revisions and resubmit your thesis. Please work closely with your advisor to address these points effectively.

Once revisions are completed satisfactorily, full approval will be granted immediately. This conditional approval allows you to begin scheduling your defense tentatively.

Please confirm receipt and your revision timeline.
