

Architecture Senior Position Cover Letter

Subject: Application for Senior Architect Role

Dear [Hiring Manager's Name],

With over [X years] of experience leading design teams and managing large-scale architectural projects, I am excited to apply for the Senior Architect position at [Company Name]. My career has focused on integrating design innovation with sustainable construction practices.

At [Previous Firm], I oversaw the design and execution of several award-winning public buildings, ensuring compliance with codes while maintaining artistic vision. I also mentored junior architects and coordinated multidisciplinary teams to meet project milestones efficiently.

I am eager to bring my leadership, technical expertise, and design philosophy to [Company Name].

Thank you for your time and consideration.

Sincerely,

[Your Name]
