

Architect sample cover letter when you know the company or person

Dear [Recipient Name],

Although I am presently employed by one of your major competitors, I must admit that I was captivated by your company's mission statement when I visited your website.

I would like to exploit and develop skills and knowledge gained from the Bachelor's Degree in Architecture degree and previous jobs, to secure a challenging and progressive Architect position with a leading company.

Strategic Architect with seven years of practical experience in highly skillful Architecture environments. Expertise in execution of fruitful department/business targets with an imaginative approach that ensures rapid delivery.

The following key strengths also exemplify highly marketable skills in Architecture and characteristics:

[List of important achievements, qualifications, and career highlights]

I am confident that my knowledge and expertise would allow me to make a meaningful contribution to the success of your company and its clients. I would enjoy discussing with you in person how my competences can match your needs, and will contact you soon to arrange a fitting time for an initial meeting. Thank you for your time and consideration. I look forward to speaking to you soon.

Sincerely,
