

Informal Photography Collective Join Message

Subject: Joining [Collective Name] as a Photographer

Hi [Organizer's Name],

I came across your photography collective and loved the energy and collaboration in your recent projects. I'm a documentary photographer based in [City], and I'd love to join or contribute to your upcoming exhibitions.

You can view my recent work here: [link]. I'm all about telling human stories through imagery, and I'd be thrilled to work with like-minded creatives.

Hope to hear from you soon!

Cheers,

[Your Name]
