

Formal Art Teacher Application Letter

Subject: Application for Art Instructor Position

Dear [Principal's Name],

I am applying for the Art Instructor position at [School Name]. With a Bachelor's degree in Art Education and seven years of teaching experience, I have developed a deep understanding of how to inspire creativity and confidence in students through art.

My teaching philosophy emphasizes both technique and personal expression. I've successfully guided students to regional art competitions, encouraging them to explore diverse mediums such as painting, sculpture, and digital art.

I am eager to bring my passion for visual arts and teaching excellence to your school community. I would welcome an interview to discuss how I can contribute to your art program.

Respectfully,

[Your Name]
