

Heartfelt Photography Internship Letter

Subject: Application for Photography Internship

Dear [Hiring Manager's Name],

Ever since I picked up my first camera at age twelve, I've been captivated by how a single frame can capture emotion, light, and life. I am excited to apply for the Photography Internship at [Studio Name] to learn from professionals who share that same passion.

During my studies in Visual Media, I have worked on several small projects focusing on portrait and event photography. I am eager to expand my skills under expert guidance and contribute my energy and creativity to your team.

Thank you for considering my application. This opportunity means a lot to me, and I hope to learn from the inspiring photographers at your studio.

Warm regards,

[Your Name]
