

Business Partnership Referral Request

Subject: Request for Professional Referral - Strategic Partnership Opportunity

Dear [Name],

I am writing to request your professional endorsement for a strategic business opportunity that has recently presented itself.

As you are aware, our companies have maintained a successful business relationship for [time period], during which we have collaborated on [specific projects/initiatives]. The success of these ventures, particularly [specific example with results], demonstrates the quality of work and professional standards that both our organizations maintain.

I am currently pursuing a partnership opportunity with [company/organization name], where your referral would carry significant weight due to your respected position in [industry/field] and your direct experience with my company's capabilities.

This partnership involves [brief description of partnership], which would leverage the same expertise and reliability that you have experienced in our work together. Your endorsement would speak to our company's ability to deliver results, maintain professional standards, and contribute meaningfully to strategic initiatives.

I would be grateful if you would consider providing a formal business referral that highlights our successful collaboration and speaks to our company's strengths in [relevant areas]. I can provide you with specific details about the partnership opportunity and any particular aspects you might want to emphasize.

Thank you for your continued partnership and for considering this request. I look forward to many more years of successful collaboration.

Respectfully,
