

Heartfelt Senior Citizen Authorization

Subject: Authorization from Elderly Citizen for Birth Certificate Collection

Dear Kind Officers,

I am [Your Name], [age] years old, and I am writing with a heavy heart as my mobility limitations prevent me from visiting your office personally.

My dear [relationship - son/daughter/caregiver] [Authorized Person's Name] has graciously offered to help me collect my birth certificate, which I need for my pension documentation.

At my age, traveling has become quite challenging, and I deeply appreciate your understanding in this matter. [Authorized Person's Name] has been taking care of my affairs and is someone I trust completely.

I have enclosed all the necessary papers and pray for your kind cooperation in this matter.

May God bless you for your service to the community.

With warm regards and gratitude,

[Your Name]
