

Lighthearted authorization email

Subject: Yes, You Can Sell My Car

Hey [Recipient's Name],

I hereby grant [Authorized Person's Name] the magical powers to sell my beloved four-wheeled companion, aka my [Car Make/Model]. Registration number is [Number] (in case you need to prove it's really mine).

They'll be taking care of all the boring paperwork so I don't have to. Please treat this as official, even though I'm keeping it lighthearted.

Thanks a ton,

[Your Name]
