

Casual email for family car sale authorization

Subject: Permission to Sell My Car

Hi [Recipient's Name],

I'm writing to let you know that I've asked my [relation, e.g., brother, cousin], [Authorized Person's Name], to sell my car for me. It's a [Car Make/Model/Year] with registration number [Number].

They'll be taking care of all the sale steps and paperwork on my behalf, so please treat them as the authorized person for this transaction.

Thanks for your understanding.

Cheers,

[Your Name]
