

Experienced Banking Professional Cover Letter

Subject: Application for [Position Title] - [Your Name]

Dear [Hiring Manager's Name],

With over [X] years of progressive experience in retail and commercial banking, I am excited to apply for the [Position Title] role at [Bank Name]. My proven track record of exceeding sales targets, managing high-value client portfolios, and leading successful teams aligns perfectly with the qualifications you seek.

In my current role as [Current Position] at [Current Bank], I have managed a portfolio of 150+ commercial clients with combined assets exceeding \$50 million. I increased revenue by 35% through strategic cross-selling initiatives and developed new banking products that improved customer retention by 22%. Additionally, I led a team of six relationship managers, implementing training programs that elevated team performance by 40%.

[Bank Name]'s commitment to innovation in financial services and community development resonates deeply with my professional values. I am particularly impressed by your recent expansion into sustainable finance and would be thrilled to contribute my expertise in client relationship management and business development to support these initiatives.

I look forward to discussing how my experience and strategic vision can drive growth and excellence at [Bank Name].

Best regards,
