Subject: Exciting Opportunity to Support [Team/League Name]

Hi [Sponsor's Name],

I hope this message finds you well! I'm reaching out from [Team/League Name] to see if [Company Name] would be interested in sponsoring our baseball team this season.

We have a group of talented, motivated players, and your support would help cover uniforms, equipment, and travel expenses. In return, your company would get recognition on our uniforms, banners, and social media shout-outs.

We would love to chat about how we can work together to make this season great for both our team and your brand!

Thanks so much,
