Dear [Recipient Name],

Thank you for purchasing my bike, the [Brand/Model]. This bike has been with me for [Number] years, and it holds many memories of rides, adventures, and long journeys. While it is bittersweet to let it go, I am happy it will be with someone who appreciates it.

I trust you will enjoy it and take good care of it. I've included the service records and accessories to ensure you get the most out of it. May it bring you as much joy as it brought me.

Warm regards,
