

## Funny Bike Sale Message

Subject: Congratulations on Your New Two-Wheeled Friend!

Hey [Recipient Name],

Congrats—you've just adopted my bike! Don't worry, it doesn't bite, but it does love long rides and the occasional oil change. The adoption fee (a.k.a. sale price) is [Amount].

I'll hand it over on [Date], along with its papers and accessories. Please promise to give it the occasional wash and maybe even talk to it—it loves attention.

Ride safe and enjoy!
