

Casual Email Offering Book Donation to a Community Library

Subject: Book Donation for the Community Library

Hi there,

I'm reaching out because I have a collection of books I'd love to donate to the community library. Most of them are fiction and non-fiction titles for young adults, all in good shape and ready to find new readers.

If your library is accepting donations at the moment, please let me know how I can drop them off or if there's a specific process to follow. I'd be happy to contribute to something that keeps people reading and learning.

Thanks a lot,
