

Simple Book Donation Letter to a Prison Library

Subject: Donation of Reading Materials for Prison Library

Dear Sir/Madam,

I am writing to express my wish to donate a selection of books to the prison library. The collection includes fiction, history, and motivational titles that I hope will bring comfort, learning, and positive engagement to the inmates.

Please let me know if there are any restrictions or specific genres preferred. I would be happy to follow the required procedures for security and content approval.

Thank you for considering my contribution.

Sincerely,

[Your Name]
