

Formal Break Up Agreement Letter

Subject: Mutual Agreement to End Relationship

Dear [Partner's Name],

This letter serves as a formal agreement between us to end our relationship amicably. We have mutually decided that it is in our best interests to part ways, and we aim to do so with respect and understanding.

We agree to divide personal belongings as discussed, respect each other's privacy, and refrain from any actions that could cause emotional or legal complications. Both parties acknowledge that this decision is final and consensual.

Thank you for the experiences we shared. I wish you all the best in your future endeavors.

Sincerely,

[Your Name]
