

## Informal Break Up Email

Subject: Moving On

Hey [Partner's Name],

I wanted to reach out and let you know that I think it's best if we go our separate ways. This hasn't been an easy decision, but I believe it's the healthiest choice for both of us.

I hope we can part on good terms and remember the positive times we had together. Wishing you happiness in what comes next.

Take care,

[Your Name]
