

## Formal breakup letter with respect and clarity

Subject: Moving Forward Separately

Dear [Her Name],

After much thought, I've realized that our relationship is no longer aligned with our individual paths. I respect you deeply, which is why I want to be honest and transparent.

It's important to me that we part on good terms, and I hope we can remember our time together fondly. Wishing you the best in your journey ahead.

Sincerely,

[Your Name]
