

Tactful announcement to broader family circle

Subject: Update About Our Wedding Plans

Dear Family,

I hope this message finds you all in good health and spirits. I'm writing to share some news that I wanted you to hear directly from us.

After much thought and consideration, [Partner's name] and I have decided to cancel our upcoming wedding and end our engagement. This decision wasn't made hastily, and we both believe it's the right choice for our individual happiness.

We want to thank everyone who has already made arrangements or preparations for our special day. We understand this news may be disappointing, and we're sorry for any inconvenience this may cause with your travel or other plans.

We both have tremendous respect for each other and are handling this transition amicably. We ask for your continued love and support as we navigate this change.

Thank you for being such a wonderful family. Your understanding means more than you know.

With love and gratitude,

[Your names]
