

Informal yet serious complaint from parent

Subject: Concern Regarding Schoolyard Bullying

Dear [Teacher/School Counselor],

I hope this message finds you well. I am writing to express my concern about my child, [Child's Name], who has been experiencing bullying during recess and lunch breaks. This includes teasing, pushing, and exclusion from group activities by a few classmates.

I would like the school to monitor the situation and provide guidance on how to prevent further incidents. Any advice or intervention from your side would be greatly appreciated.

Thank you for your time and support.

Best regards,

[Your Name]
