

Provisional Bursary Application

Subject: Application for Bursary Support (Pending Admission)

Dear [Recipient's Name],

I am applying for the bursary program offered by your institution. I have recently applied for admission to [Institution Name] to study [Course/Program], and I am awaiting confirmation of acceptance.

As my family is unable to fully support my education, I am seeking financial aid in anticipation of my enrollment. Should I be granted both admission and bursary assistance, I will be able to pursue my studies without financial constraints.

Thank you for considering my provisional application.

Sincerely,

[Your Name]
