

Informal Bursary Application Message

Subject: Request for Bursary Assistance

Hi [Recipient's Name],

I hope you are doing well. I'm reaching out to apply for the bursary support program. I am currently a student at [Institution Name] in [Year/Program], and I've been facing some financial difficulties that are affecting my ability to keep up with tuition and study materials.

I've attached my documents for your review. Thank you so much for your time and consideration.

Best,

[Your Name]
