Business Follow Up Email Sample

Dear [Recipient],

I hope this email finds you well. I wanted to follow up on the business proposal that I sent you last week. I am eager to know your thoughts on the proposal and if you have any questions or concerns. As a reminder, the proposal outlined the benefits of our partnership and how it can improve your business operations. Our team has the expertise and experience to deliver results, and we believe that this partnership will be a win-win for both our companies.

Please let me know if you have had a chance to review the proposal and if you are interested in moving forward with the partnership. If you need any additional information or clarification, please do not hesitate to reach out to me.

I look forward to hearing back from you soon and hopefully working together in the near future.

Best regards,

[Your Name]
